

QUESTIONS AND ANSWERS IN RELATION TO MIGRATION

The questions and answers set out below are brief as they are intended to be in general terms only and, as such, you should read the full contents of this Circular for details of what action to take. If you are in any doubt as to the action you should take, you are recommended to consult your independent professional personal adviser, who is authorised or exempted under the European Union (Markets in Financial Instruments) Regulations 2017 (as amended) or the Investment Intermediaries Act 1995 (as amended), if you are resident in Ireland, or who is authorised under the Financial Services and Markets Act 2000 (as amended), if you are resident in the United Kingdom, or from another appropriate authorised independent financial adviser if you are in a territory outside Ireland or the United Kingdom. The contents of this Circular, including this Part, should not be construed as legal, business, accounting, tax, investment or other professional advice.

1 WHY IS MIGRATION BEING PROPOSED?

It is a requirement of the continued admission of the Shares to trading and listing on Euronext Dublin and the London Stock Exchange that adequate procedures are available for the clearing and settlement of trades in the Shares conducted on those venues, including that the Shares are eligible for electronic settlement. At present, trading in Shares is settled electronically through the CREST System, which is the London-based securities settlement system operated by EUI. Only Shares which are held in uncertificated (i.e. dematerialised or electronic) form are eligible for admission to the CREST System. Approximately 88.0% of the Company's issued share capital is currently held in uncertificated form.

As a result of Brexit, the CREST System will cease to be available for the settlement of trades in Shares following the end of a period of temporary equivalence for the CREST System (currently expected to expire on 30 June 2021). As it is essential for the Company that electronic settlement of trading of its Shares can continue in order to ensure ongoing compliance with the electronic share trading requirements for listing on Euronext Dublin and the London Stock Exchange, the Board believes that it is appropriate to seek admission of the Company's Shares to an alternative securities settlement system that will facilitate the electronic settlement of trades in the Company's Shares following Brexit.

In December 2018, Euronext Dublin announced that, based on the analysis it had carried out of four possible post-Brexit securities settlement options, the CSD system operated by Euroclear Bank, an international CSD incorporated in Belgium, had been selected to replace the CREST System operated by EUI as the long-term securities settlement system for Irish issuers. No alternative securities settlement system is expected to be available for the electronic settlement of trades in the Company's Shares on or before the expiry of certain temporary transitional arrangements in June 2021.

Accordingly, Migration of those Shares which are held in uncertificated form on a designated Live Date from the CREST System to the Euroclear System is being proposed in order to preserve the continued listing and admission to trading of the Shares on Euronext Dublin and the London Stock Exchange. Further consequences of the failure to implement Migration are discussed in the response to Question 2 below.

2 WHAT HAPPENS IF MIGRATION IS NOT APPROVED AT THE EGM?

There is no meaningful alternative to Migration. Failure to implement Migration is expected to significantly adversely affect the Company's ability to retain its stock exchange listing and, importantly, a market for our Shares. Therefore, we are asking all Shareholders to support the Resolutions proposed for the EGM.

If the Resolutions are not passed and the Company does not participate in Migration, all Participating Securities in the Company will be required to be rematerialised into certificated (i.e. paper) form and shareholders and other investors will no longer be able to settle trades in the Shares electronically. This would be expected to materially and adversely impact on trading and liquidity in the Shares as it would result in significant delays for Shareholders and investors wishing to sell or acquire Shares in certificated (i.e. paper) form. It would also put at risk the continued admission to trading and listing of the Shares on Euronext Dublin and the London Stock Exchange as the absence of electronic settlement of Shares would mean that the Company would cease to meet the eligibility criteria for admission to trading on Euronext Dublin and the London Stock Exchange.

3 WHAT DO I NEED TO DO IN RELATION TO MIGRATION?

You are encouraged to complete, sign and return the Form of Proxy to vote on the Resolutions in one of the ways explained on the front page of this Circular and in the Notice of EGM.

Any further actions that you may take/wish to take will depend on whether you hold and/or wish to continue to hold your Shares in certificated (i.e. paper) form or in uncertificated (i.e. electronic) form. These possible actions are referred to below.

4 IF THE RESOLUTIONS ARE APPROVED, WHEN WILL MIGRATION OCCUR?

Migration is expected to occur in mid-March 2021, with the Live Date to be specified by Euronext Dublin in accordance with the provisions of the Migration Act. It is currently expected that this will be 15 March 2021.

5 WILL MIGRATION AFFECT THE BUSINESS OR OPERATIONS OF THE COMPANY?

No. Neither Migration, nor the proposed changes to the Articles of Association, will impact on the on-going business operations of the Company. The Company will remain headquartered, incorporated and resident for tax purposes in Ireland. The nature and venue of the stock exchange listings of the Company will not change in connection with Migration. The Company does not expect that Migration will result in any change in the eligibility of the Company for the indices of which it is a constituent as of the Latest Practicable Date. In addition, the ISIN relating to the Shares will be unchanged.

6 I HOLD MY SHARES IN CERTIFICATED (I.E. PAPER) FORM AND WISH TO CONTINUE TO DO SO. WHAT ACTION SHOULD I TAKE AND WHAT IS THE LATEST DATE FOR ANY SUCH ACTION?

Shares which are held in certificated (i.e. paper) form on the Migration Record Date will not be subject to Migration and can continue to be held in certificated (i.e. paper) form, at the option of the Shareholder.

Accordingly, Shareholders holding their Shares in certificated (i.e. paper) form and wishing to continue to do so immediately following Migration are not required to take any action in advance of Migration (other than voting in respect of the Resolutions, should a shareholder wish to do so).

7 I HOLD MY SHARES IN CERTIFICATED (I.E. PAPER) FORM BUT I WOULD LIKE TO HOLD THEM IN UNCERTIFICATED FORM IN CREST (THROUGH CDI) WITH EFFECT FROM MIGRATION. WHAT ACTION SHOULD I TAKE AND WHAT IS THE LATEST DATE FOR ANY SUCH ACTION?

Shareholders currently holding their Shares in certificated (i.e. paper) form and wishing to hold their interests in book-entry form through CDIs in the CREST System following Migration should become a CREST member or engage the services of a broker, custodian or nominee who is a CREST member in order to have their Shares admitted to the CREST System so that they are held in uncertificated form within the CREST System in advance of the Migration Record Date. If they wish to have this completed before Migration so that the relevant Shares participate in Migration, they will need to do this and have completed the deposit of their Shares into the CREST System prior to Migration in accordance with timelines to be confirmed by EUI.

8 I HOLD MY SHARES IN CERTIFICATED (I.E. PAPER) FORM BUT I WOULD LIKE TO HOLD THEM IN EUROCLEAR BANK AS SOON AS POSSIBLE FOLLOWING MIGRATION. WHAT ACTION SHOULD I TAKE?

Shareholders wishing to hold their interests in electronic form via Belgian Law Rights in the Euroclear System following Migration must be or become EB Participants (or must appoint an EB Participant to hold the Belgian Law Rights on their behalf) and will need to make arrangements to have their certificated Shares deposited into the Euroclear System following Migration. In practice, where a shareholder is not an EB Participant and does not wish to become an EB Participant, it should consult its broker, custodian or nominee in order to arrange for the relevant Shares to be deposited into the Euroclear System and held in electronic form via Belgian Law Rights by an EB Participant on behalf of that Shareholder using arrangements put in place by such broker, custodian or nominee. Information on how to become an EB Participant can be accessed on the Euroclear website at <https://www.euroclear.com/about/en/business/Becomingaclient/BecomingaclientEuroclearBank.html>.

These arrangements can also be put in place prior to Migration as referred to in paragraph 3.5.8 of the EB Migration Guide and will enable a holding through the Euroclear System following Migration once the transfer out of the initial CDIs holding has been completed, or at any time following Migration. If such arrangements are effected before Migration, the Shares will be transferred to an account in Euroclear Bank in which the shares will be held under Euroclear Bank's Investor CSD service until Migration. The services described in the EB Services Description will however only become applicable as of the Live Date.

9 I HOLD MY SHARES IN UNCERTIFICATED (I.E. DEMATERIALIZED/ELECTRONIC) FORM; THAT IS, IN THE CREST SYSTEM AND INTEND TO CONTINUE TO HOLD IN THE CREST SYSTEM FOLLOWING MIGRATION. WHAT ACTION SHOULD I TAKE AND WHAT IS THE LATEST DATE FOR ANY SUCH ACTION?

Shares which are held in uncertificated (i.e. dematerialised/electronic) form through the CREST System on the Migration Record Date will automatically be subject to Migration and will be held in book-entry form through CDIs in the CREST System following Migration, unless Shareholders take the steps referred to in the response to Question 11 below (in which case their interests will be held via Belgian Law Rights in the Euroclear System).

Accordingly, no action is required to be taken in advance of Migration (other than voting in respect of the Resolutions should a Shareholder wish to do so) by Shareholders wishing to hold their interests in book-entry form through CDIs in the CREST System following Migration.

10 I HOLD MY SHARES IN UNCERTIFICATED (I.E. DEMATERIALIZED/ELECTRONIC) FORM; THAT IS, IN THE CREST SYSTEM AND WISH TO HOLD IN EUROCLEAR BANK AS SOON AS POSSIBLE. WHAT ACTION SHOULD I TAKE AND WHAT IS THE LATEST DATE FOR ANY SUCH ACTION?

Shareholders wishing to hold their interest in electronic form via Belgian Law Rights in the Euroclear System rather than through CDIs in the CREST System following Migration, then the Shareholder must be or become an EB Participant (or must appoint an EB Participant to hold the Belgian Law Rights on its behalf) and must transfer such Belgian Law Rights from the CREST International Account in Euroclear Bank to the account of another EB Participant by way of cross-border delivery. Upon matching with a pending receipt instruction from the EB Participant, the transfer will settle if the applicable other settlement conditions are satisfied. As referred to in paragraph 8 above, these transfers can occur following Migration and can also occur ahead of Migration as referred to in paragraph 3.5.8 of the EB Migration Guide.

11 I HOLD MY SHARES IN UNCERTIFICATED (I.E. DEMATERIALIZED/ELECTRONIC FORM) IN CREST THROUGH A BROKER, CUSTODIAN OR NOMINEE, AND WISH TO HOLD IN EB THROUGH AN EB MEMBER BROKER, CUSTODIAN OR NOMINEE FOLLOWING MIGRATION, WHAT DO I DO?

If, following Migration, such a Shareholder wishes to continue to hold their interests in uncertificated (i.e. dematerialised/electronic) form through a broker, custodian or nominee holding in CREST, further action will depend on whether such broker, custodian or nominee is, or will be on Migration, also an EB Participant. If not, then such Shareholder will need to make arrangements in good time before the Migration Record Date to have their Shares transferred to a broker, custodian or nominee who is, or will be on Migration, an EB Participant. Based on the Expected Timetable of Principal Events the deadline for this action will be 12:00 p.m. on Thursday, 11 March 2021. Such arrangements are the responsibility of the Shareholder and need to be checked and/or arranged directly by such Shareholder.

If the broker, custodian or nominee through whom such Shareholder currently holds its Shares in CREST is, or will be on Migration, an EB Participant, then no action ought be required by such Shareholder for the purposes of Migration (other than voting in favour of the Resolutions which Shareholders are encouraged to do). However, it is the responsibility of such Shareholder to check such arrangements, and to establish any additional terms, costs or requirements of such broker, custodian or nominee.

12 I HOLD MY SHARES IN UNCERTIFICATED (I.E. DEMATERIALIZED/ELECTRONIC) FORM IN CREST BUT I DO NOT WISH THEM TO BE PART OF MIGRATION. WHAT ACTION SHOULD I TAKE AND WHAT IS THE LATEST DATE FOR ANY SUCH ACTION?

If such a Shareholder does not wish their Shares to participate in Migration they will need to hold their interests in certificated (i.e. paper) form before the Migration Record Date. To do this they will need to withdraw the relevant Shares from the CREST System prior to Migration (by a time which will be confirmed closer to Migration). Based on

the Expected Timetable of Principal Events the deadline for this action will be 12:00 p.m. on Thursday, 11 March 2021.

Shareholders wishing to hold their Shares in certificated (i.e. paper) form prior to Migration taking effect should make arrangements with their broker, custodian or nominee in good time so as to allow their broker, custodian or nominee sufficient time to withdraw their Shares from the CREST System prior to the closing date set out above for CREST withdrawals.

13 IF I CONTINUE TO HOLD MY SHARES IN CERTIFICATED (I.E. PAPER) FORM FOLLOWING MIGRATION, WHAT IMPACT WILL MIGRATION HAVE IN RELATION TO MY SHAREHOLDING?

For Shareholders who hold their Shares in certificated (i.e. paper form) and wish to continue to hold Shares in paper form, Migration does not change the manner in which you hold and continue to hold your Shares and there are no Migration steps to be taken by you regarding your Shares.

While it is not expected that Migration will initially directly impact Shareholders who continue to hold their Shares in certificated (i.e. paper) form, such Shareholders should note that in order to trade their Shares on market following Migration, they will need to effect a dematerialisation of their Shares into Euroclear Bank. Any such dematerialisation will entail interaction with a broker, custodian or nominee and may involve certain costs being incurred and/or, a delay in execution of a share trade being experienced by the Shareholder which may differ from the comparable process applicable in respect of dematerialisation into CREST.

14 IF I HOLD MY SHARES AS AN EB PARTICIPANT OR THROUGH AN EB PARTICIPANT FOLLOWING MIGRATION, WHAT IMPACT WILL MIGRATION HAVE IN RELATION TO MY SHAREHOLDING?

After Migration, Euroclear Nominees will hold legal title to all Shares admitted to the Euroclear System. As a result, Euroclear Nominees will be recorded in the Register of Members of the Company as the holder of the relevant Shares. EB Participants' rights with respect to their Shares deposited in the Euroclear System are governed by the Belgian Law Rights and the EB Services Description.

Holding Shares through the Euroclear System will entail share custody costs and certain differences in the nature, range and cost of corporate services, including with respect to the manner in which voting rights can be exercised in person or by proxy, relative to a direct holding in the CREST System.

Shareholders who anticipate holding their Shares through the Euroclear System should familiarise themselves with the EB Services Description in this regard.

15 WHAT IS A CDI AND WHY IS IT RELEVANT IN RELATION TO MIGRATION?

CDI stands for CREST Depository Interest. A CDI is a security constituted under English law issued by EUI (through the CREST Depository) that represents an entitlement to international securities.

By way of background, it is only possible to hold and transfer certain securities in the CREST System, including, currently, shares constituted under Irish law (**Irish Securities**). Once it ceases to be possible to hold, settle or transfer Irish Securities through the CREST System, EUI can facilitate the issuance of CDIs representing such Irish Securities, in order to provide an alternative settlement mechanism involving CREST. A CDI is issued by the CREST Depository to CREST members and represents an entitlement to identifiable underlying securities. Following Migration, holders of Irish Securities wishing to continue to hold, and settle transactions in, Irish Securities in the CREST System, including in respect of all trades executed on the London Stock Exchange, will only be able to do so for their Shares held through CDIs.

Each CDI issued on Migration will reflect the Belgian Law Rights related to each underlying Migrating Share. CREST members who hold their Shares in CREST up to 12 March 2021 will, on Migration, receive one CDI for each Migrating Share held by them at the Migration Record Date. Thereafter the Former Holder may choose to hold their interests via Belgian Law Rights through the Euroclear System rather than through CDIs representing those Belgian Law Rights. To do this the Former Holder must be an EB Participant (or must appoint an EB Participant to hold the Belgian Law Rights on its behalf) and must transfer such Belgian Law Rights from the CREST International account in Euroclear Bank to the account of another EB Participant by way of cross-border delivery instruction. The delivery

instruction will need to match with a receipt instruction in order for the transfer to settle. Please see answer Question 8 above as to what steps should be undertaken.

Notwithstanding that the CDI is a separate security from Shares, where Shares are traded, the trade takes place in the Share itself and not in the related CDI, and the CDI is simply the means of settlement. In high level terms, to enable Shares be traded:

- on Euronext Dublin, those Shares need be held in the Euroclear System
- on the London Stock Exchange, CDIs representing those Shares need to be created and issued by CREST

In general terms, as referred to in Part 7 of this Circular, from a UK tax perspective Migration should be a tax neutral event for Shareholders and the UK taxation regime subsequently applying should not be materially different from that which currently applies confirm this means that CDI has no UK tax impact or charge.

Similarly, Shares acquired on Euronext Dublin will be settled as Shares held in the Euroclear System; whereas Shares acquired on the London Stock Exchange will be settled through CDIs in CREST representing those Shares (and ultimately held in the Euroclear System).

16 IF I HOLD MY SHARES THROUGH A CDI FOLLOWING MIGRATION, WHAT IS THE IMPACT OF THIS TYPE OF HOLDING?

In the case of a CDI, the CREST Nominee will be an EB Participant and will hold rights to securities held within Euroclear Bank on behalf of the CREST Depository for the account of CDI holding CREST members. The CREST Depository's relationship with CDI holding CREST members is governed by the CREST Deed Poll and the CREST International Manual.

Holding by way of a CDI will entail international custody costs and certain differences in the nature, range and cost of corporate services, including with respect to the manner in which voting rights can be exercised in person or by proxy, relative to a direct holding in the CREST System or relative to a position in Euroclear Bank.

The manner (if you do not now hold Shares through a custodian/nominee) and time period within which any such voting rights may be exercised by CDI holders will differ from arrangements which would currently apply in respect of direct holdings in the CREST System or in the Euroclear System. In all cases, the time periods for exercising rights or making elections will, of necessity, be shorter than those specified by law or by the Company in any corporate action (to allow for additional administrative steps).

CREST members who anticipate holding their interests in Shares following Migration through CDI should familiarise themselves with the CDI service offering, details of which are included in the CREST International Manual and the terms of the CREST Deed Poll.

17 WHAT ARE THE TAXATION IMPLICATIONS OF MIGRATION?

You should refer to Part 7 of this Circular in relation to taxation. Shareholders should consult their own tax advisers about the Irish tax consequences (and the tax consequences under the laws of other relevant jurisdictions), which may arise as a result of being Migrating Shareholders and the acquisition, ownership and disposition of Shares in the future. In general terms, as referred to therein legislation is being enacted in Ireland to provide that Migration is a tax neutral event for Shareholders and that the Irish taxation regime subsequently applying is not materially different from that currently applying.

In general terms, as referred to in Part 7 of this Circular, Shareholders, whether they be Belgian residents or not, are not expected to be subject to Belgian income tax on capital gains as a consequence of Migration on the basis that Migration should normally not give rise (or should not be treated as giving rise) to a definitive disposal of the Shares.

In general terms, as referred to in Part 7 of this Circular, from a UK tax perspective Migration should be a tax neutral event for Shareholders and the UK taxation regime subsequently applying should not be materially different from that which currently applies confirm this means that CDI has no UK tax impact or charge.

18 **FOLLOWING MIGRATION, HOW DO I WITHDRAW MY INVESTMENT IN SHARES FROM EITHER THE EUROCLEAR SYSTEM OR THE CREST SYSTEM IN ORDER TO BECOME A REGISTERED (CERTIFICATED OR PAPER) HOLDER?**

The procedures are different depending on whether a holder of Participating Securities holds such interests through the Euroclear System as Belgian Law Rights or through the CREST System as CDIs.

Withdrawal of Participating Securities from the Euroclear System to become a registered holder (certificated)

The process involved in order to withdraw the Participating Securities from Euroclear Bank and hold them in certificated (i.e. paper) form is contained in the EB Services Description. This involves the sending of an instruction by the EB Participant to Euroclear Bank, which will be communicated to the Registrar, which will proceed to effect a transfer of the relevant shareholding from Euroclear Nominees to the transferee whose name will be entered on the Register of Members. The time period for any such withdrawal of securities from the Euroclear System, is expected to be within one (1) business day such that the owner of the Participating Securities will be entered on the Register of Members of the Company within one (1) business day. It may take up to ten (10) business days for a transferee to receive the relevant share certificate; however, entry on the Register of Members is prima facie evidence of a shareholding under Irish law.

Additional time will also be involved where you are not an EB Participant and your Shares are held by an EB Participant (such as a broker, custodian or nominee) on your behalf – to facilitate your instruction going through such EB Participant.

For a description as to what EB Participants need to do to withdraw their Shares from Euroclear Nominees into a direct name on register (mark-down), please refer to the EB Services Description section “4.2.3 *Mark-up and Mark-down*”.

Under the Brexit Omnibus Act, it will not be necessary to execute a written instrument of transfer in order to withdraw shares from Euroclear Bank or transfer those securities from one authorised CSD to another.

Withdrawal of Participating Securities from CREST to become a registered holder (certificated)

The process involved is a two step one. First, to withdraw the Participating Securities from the CREST System into the Euroclear System. Secondly, to withdraw the Participating Securities from the Euroclear System.

The process involved in order to withdraw the Participating Securities from the CREST System (which are held through CDIs following Migration as described in Parts 3 and 4 of this Circular) is as provided in the CREST International Manual and requires a cancellation of CDIs in the CREST System and the receipt of the relevant Belgian Law Rights into a shareholding account with a broker, custodian or nominee which is an EB Participant. This involves the input of a cross-border delivery instruction in favour of the relevant EB Participant, who should separately input a matching cross-border receipt instruction to ensure receipt of the Belgian Law Rights. In order to give this instruction, a Holder of Participating Securities should contact the broker, custodian or nominee with whom he/it has made arrangements with respect to the holding of CDIs or (where relevant) should him/itself arrange to give the necessary instruction in accordance with the CREST International Manual. After this, the process to withdraw the Participating Securities from the Euroclear System is as described above. It is expected that the process to withdraw the CDIs and receive the Belgian Law Rights into the Euroclear System can be accomplished within one (1) business day.

In order to comply with Article 3(2) of CSDR, settlement of trades in Shares that have been withdrawn from the Euroclear System to be held in certificated (i.e. paper) form has to take place within a CSD and consequently any subsequent sale of such positions will necessitate the shares being redeposited into either the Euroclear System or the CREST System as appropriate.

Please also see section 5 in Part 1B in which it is explained that the future ability to enjoy direct exercise of rights after 1 January 2023 (for newly issued Shares) and 1 January 2025 (for all Shares) will depend on legislative changes which have not yet been proposed or determined by the relevant authorities.

19 **CAN I ATTEND A GENERAL MEETING OF THE COMPANY FOLLOWING MIGRATION?**

Yes. Following Migration, and subject to the below, you will be able to attend a general meeting whether you hold your Shares in certificated (i.e. paper form), via an EB Participant, as an EB Participant or via CDIs.

Holders of Shares which are held in certificated (i.e. paper) form on the Migration Record Date will not be subject to Migration and can continue to be held in certificated (i.e. paper) form following Migration, at the option of the Shareholder. Such holders can attend, vote and speak at a general meeting of the Company in person or by proxy in the same way as before Migration.

EB Participants holding Belgian Law Rights through the Euroclear System can instruct Euroclear Bank to vote in favour, against or abstain, in advance of the relevant Euroclear Bank voting deadline. EB Participants can also, in advance of the Euroclear Bank voting deadline, instruct Euroclear Bank to appoint a third party (other than Euroclear Bank's nominee or the chairman of the meeting) identified by the EB Participant to attend and vote at a general meeting for the number of Shares specified in the proxy voting instruction. For example, such third party may be the EB Participant or, where the EB Participant is a broker, custodian or nominee the client of that broker, custodian, nominee or a corporate representative. There is no facility to offer a letter of representation/appoint a corporate representative other than through the submission of third party proxy appointment instructions.

CDI holders are able to instruct Broadridge, in advance of the relevant Broadridge voting deadline, to vote in favour, against or abstain. CDI holders can also, in advance of the Broadridge deadline, instruct Broadridge to appoint a third party (other than Euroclear Bank's nominee or the chairman of the meeting) identified by the CDI holder to attend and vote at a general meeting for the number of Shares specified in the proxy voting instruction. The third party identified in the proxy instruction, could be for example the CREST member, the client of a CREST member or a corporate representative. The CREST Nominee (as EB Participant) will then action that instruction to Euroclear Bank as set out above. There is no facility to offer a letter of representation/appoint a corporate representative other than through the submission of third party proxy appointment instructions.
