ANNUAL GENERAL MEETING

Dear Shareholder

I am writing to you to outline the background to the resolutions to be proposed at the forthcoming annual general meeting (“**AGM**”) of Irish Continental Group p.l.c. (the “**Company**” or “**ICG**”), all of which the Board considers to be in the Company’s best interests and which are recommended by the Board for your approval.

I believe that the AGM provides a worthwhile and meaningful opportunity for shareholders to exercise their shareholder rights through raising questions, engaging with the directors of the Company (the “**Directors**”) and by voting on the business of the meeting.

The Company’s Annual Report and Financial Statements for the year ended 31 December 2025 are now available to view and download on our website <http://www.icg.ie>. For those shareholders who have not yet elected to receive electronic communications, a copy of the Company’s Annual Report is enclosed with this mailing.

Your attention is drawn to the Notice of AGM set out on page 7 of this document convening the AGM which will be held at The Gibson Hotel, The Point Village, East Wall Road, Dublin D01 X2P2 on Thursday, 7 May 2026 at 11.00 a.m.

Unless decided otherwise by the Chairman of the meeting in his discretion, all resolutions at the AGM will be put to a vote via a poll, the result of which will be made available on the Company’s website, www.icg.ie, following the conclusion of the AGM.

It is important that registered shareholders submit their Form of Proxy to the Company’s Registrar by the deadline of 11.00 a.m. on Tuesday, 5 May 2026 to ensure their votes are included. Please note that persons holding their interests in the Company through the Euroclear Bank or CREST (CDI) systems must comply with any earlier or other voting submission deadline imposed by those systems. All such persons are recommended to consult with their stockbroker or intermediary at the earliest opportunity. Further information in this respect is provided at the Notes to the Notice of AGM and on the Company’s website <http://www.icg.ie>.

For any shareholder who is unable to attend our AGM in person, your contribution is still valued, and you may participate through:

1. **Voting:** by availing of the established and existing proxy voting service (electronic and/or paper) available to all registered shareholders in the manner set out in the Notes to the Notice of AGM and on the Company’s website. By way of information, voting by proxy is the traditional means by which the majority of shareholders usually vote at general meetings. Any shareholders who need further information in respect of the proxy voting service, or require assistance in submitting their vote using this service, should call the Company’s Registrar Computershare Investor Services on +353 1 447 5483. It is recommended that shareholders appoint the Chairman of the meeting as their proxy for the AGM. The appointment of the Chairman as proxy will facilitate your vote being included in a wider range of contingent scenarios.

2. **Raising questions:** by submitting any questions that you would like to raise and/or might otherwise have raised in person at the AGM by forwarding via post or email, in each case together with evidence of your shareholding, to be received before 5 p.m. on Monday, 4 May 2026. Further details are set out in the Notes to the Notice of AGM.

The business to be transacted at the AGM is set out in resolutions 1 to 12 in the Notice of AGM.

Note: Unless the context otherwise requires, references to information provided as at “5 p.m. on 2 April 2026” are to that time being the latest practicable time and date for that information prior to the issue of this letter.

Resolution 1: Financial statements, annual report and affairs of the Company

Resolution 1 relates to the financial statements and the reports of the Directors and Auditors for the period ended 31 December 2025 and a review of the affairs of the Company. Resolution 1 is proposed as an advisory non-binding ordinary resolution.

Resolution 2: Recommendation for payment of dividend

Resolution 2 relates to the recommendation by the Board for the payment of a final dividend of 10.95 cent per issued ordinary share in the capital of the Company (“**Ordinary Shares**”) in respect of the year ended 31 December 2025. As previously announced by the Company, if approved by the meeting, the final dividend will be paid on 5 June 2026 to the holders of Ordinary Shares on the register at 5 p.m. on 15 May 2026. Irish dividend withholding tax will be deducted where appropriate and the receipt of the proposed final dividend should be treated as income for Irish tax purposes and taxed accordingly. Resolution 2 is proposed as an ordinary resolution.

Resolution 3: Election of Directors

Resolution 3 deals with the re-appointment of Directors. The Company’s constitution requires that at least one third of the Directors shall retire by rotation at the Company’s annual general meeting each year. However, in compliance with the recommendations of the 2024 UK Corporate Governance Code (“**UK Code**”), all Directors will retire from office and offer themselves for re-appointment by the shareholders. Full biographical details of all Directors and the experience that each of the Directors brings to the Board and the long term success of the Company are set out in the 2025 Annual Report. The re-appointment of each Director will be proposed as a separate ordinary resolution.

As set out in the Corporate Governance Statement of the 2025 Annual Report, I led a Board performance review process and reported that each Director was contributing effectively and demonstrating commitment to the role. Separately, the independent non-executive Directors undertook a review of my performance as Chairman and the Senior Independent Director reported that I was providing effective leadership of the Board.

All of the non-executive Directors are considered by the Board to be independent of management and free of any relationships which could interfere with the exercise of their independent judgement. In considering their independence, the Board has taken into account a number of factors including their length of service on the Board, other directorships held and material business interests.

I have served on the Board for more than nine years since my first appointment as a non-executive Director. I was appointed Chairman in 2004 and was considered to be independent at the date of my appointment. Recognising the importance of assessing each individual Director’s tenure and their contribution, including the Chairman, as set out by the UK Code, the Board has considered the knowledge, skills and experience that I contribute to the Company and has concluded that I am independent in character and judgement and to be of continued significant benefit to the Board. The Board is committed to the continual, independent review of my role, tenure and independence on an annual basis consistent with the guidance of the UK Code. I also confirm that as Chair of the Nomination Committee, I have not chaired the Committee at any time where it is dealing with Board chair succession.

Resolution 4: Remuneration of Auditors

Resolution 4 authorises the Directors to determine the remuneration of the Company’s Auditors. Resolution 4 is proposed as an ordinary resolution.

Resolution 5: Report of the Remuneration Committee

Resolution 5 is asking shareholders to receive and consider the Report of the Remuneration Committee for the year ended 31 December 2025 which is set out in the 2025 Annual Report. Resolution 5 is being proposed as an advisory non-binding ordinary resolution.

Resolution 6: General authority to allot shares

Resolution 6 seeks to renew the authority of the Directors to allot shares. The Investment Association generally supports resolutions seeking a general authority to allot up to 33.33% of a company's issued share capital (excluding treasury shares) and will also support an additional 33.33% authority where the additional authority is applied to allot shares pursuant to a pre-emptive offer.

Accordingly, Resolution 6 proposes to give the Directors a general authority under Section 1021 of the Companies Act 2014 (as amended) to allot shares up to an aggregate nominal value of €6,477,920 (representing approximately 66.66% of the issued ordinary share capital and the authorised but unissued redeemable share capital of the Company (in each case, excluding treasury shares) as at 5 p.m. on 2 April 2026). Under this authority, any allotment of shares in excess of €3,261,460 representing approximately 33.33% of the issued ordinary share capital and the authorised but unissued redeemable share capital of the Company (in each case, excluding treasury shares) as at 5 p.m. on 2 April 2026) may only be applied to allot shares pursuant to a pre-emptive offer.

This resolution shall expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed. The Directors have no current intention of exercising this authority. This resolution is a common resolution at annual general meetings of companies listed on the main markets of Euronext Dublin and/or the London Stock Exchange and is in line with institutional shareholder guidance. Resolution 6 is proposed as an ordinary resolution.

By way of background, ordinary shares and redeemable shares are inextricably linked as an ICG Unit (as this term is defined in the Company's constitution for the time being) such that the issued share capital of the Company comprises of ICG Units. At 2 April 2026, an ICG Unit consisted of one ordinary share and nil redeemable shares. The shares comprising a unit are not separable for sale or transfer purposes. The authority granted by this resolution, if exercised, will not have the effect of increasing the current number of ICG Units in issue by more than 66.66%.

Resolutions 7 & 8 – Disapplication of statutory pre-emption rights in certain circumstances

The Companies Act 2014 (as amended) sets out pre-emption rights for shareholders where new equity securities (essentially ordinary shares in the case of the Company) are to be allotted for cash. The Companies Act 2014 (as amended) also provides for these pre-emption rights to be modified or disapplied. The London based Pre-Emption Group has issued guidelines for such modifications or disapplications. These guidelines were most recently revised in November 2022 and Resolutions 7 and 8 are consistent with these guidelines.

Accordingly, Resolution 7 is asking shareholders to renew the Directors' authority to disapply the strict statutory pre-emption provisions in certain circumstances, being: (a) rights issues, open offers or other pre-emptive offers and subject thereto by way of placing or otherwise of any shares not taken up in such issue or offer; and/or (b) the allotment of equity securities pursuant to the Company's share option schemes for the time being in force; and/or (c) for allotments (other than by way of pre-emptive offers) up to an aggregate nominal value of €965,034 which represents approximately 10% of the total nominal value of the Company's issued ordinary share capital (excluding treasury shares) as at 5 p.m. on 2 April 2026 and/or (d) for allotments (other than allotments made pursuant to paragraphs (a), (b) or (c) of Resolution 7) of up to a nominal amount equal to 20% of any securities issued pursuant to paragraph (c) of Resolution 7 from time to time and made in accordance with paragraph 3 of Part 2B of the Pre-Emption Group's Statement of Principles, relating to follow-on offers, published in November 2022 (the "**Pre-Emption Principles**").

A follow-on offer is a non pre-emptive offer, made following an allotment of securities, to existing shareholders and/or retail investors who are not allocated shares as part of that allotment. Paragraph 3 of Part 2B of the Pre-Emption Principles set out the expected features of a follow-on offer, which include, but are not limited to, certain restrictions on the offer price, a monetary cap on the number of shares an individual can subscribe for, and that the number of shares issued in any follow-on offer shall not exceed 20% of those issued as part of the allotment.

Furthermore, Resolution 8 is asking shareholders to authorise the Directors to disapply the strict statutory pre-emption provisions in additional circumstances, being (a) for allotments (other than by way of pre-emptive offers) up to an additional aggregate nominal value of €965,034 which represents approximately a further 10% of the total nominal value of the Company's issued ordinary share capital (excluding treasury shares) as at 5 p.m. on 2 April 2026 and (b) for allotments (other than allotments made pursuant to paragraph (a) of Resolution 8) of up to a nominal amount equal to 20% of any securities issued pursuant to paragraph (a) of Resolution 8 from time to time and made in accordance with paragraph 3 of Part 2B of the Pre-Emption Principles.

The Board confirms: (i) in relation to Resolution 8 (a) it intends that any use of the authority would be only in connection with an acquisition or specified capital investment within the meaning of the Pre-Emption Principles. For this purpose and reflecting the Pre-emption Principles, an acquisition or specified capital investment means one that is announced contemporaneously with the issue of share capital, or that has taken place in the preceding six-month period and is disclosed in the announcement of the issue, (ii) in relation to Resolutions 7 and 8 generally, that it intends to follow the shareholder protections set out in Part 2B of the Pre-Emption Principles (as applicable) and (iii) in relation to Resolutions 7(d) and 8(b), that it intends to follow the expected features of a follow-on offer set out in paragraph 3 of Part 2B of the Pre-Emption Principles.

These resolutions are common at annual general meetings of companies listed on the main markets of Euronext Dublin and/ or the London Stock Exchange and are in line with institutional shareholder guidance, in particular with the Pre-emption Principles. If adopted, these authorities will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed. Resolutions 7 and 8 are proposed as special resolutions.

Resolution 9: Authorisation of market purchases of the Company's shares (General)

Resolution 9 proposes to authorise the Company and any of its subsidiaries to make market purchases and overseas market purchases provided that the maximum number of ordinary shares authorised to be acquired shall be less than 15% of the Company's existing issued share capital, excluding shares held as treasury shares by the Company as at the date of passing this resolution. If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or on midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed. Generally speaking, a resolution of this nature is a common one at annual general meetings of companies listed on the main markets of Euronext Dublin and/or the London Stock Exchange.

The Directors have previously exercised the Company's authority to purchase its own shares and may do so in the future but only following careful consideration and at price levels which the Directors consider to be in the best interests of shareholders generally, after taking into account the Company's overall financial position.

Under the terms of Resolution 9 the minimum price (excluding expenses) which may be paid for any of the Company's own shares shall be an amount not less than the nominal value of the shares and the maximum price will be the higher of:

- (a) 5% above the average of the closing prices of the Company's ordinary shares taken from the Euronext Dublin Daily Official List and/or the closing prices published by the London Stock Exchange for securities admitted to trading on its Main Market (as the case may be depending on where the purchase is carried out) in each case for the five business days preceding the day the purchase is made (the "**Market Purchase Appropriate Price**"), or if on any such business day there shall be no dealing of ordinary shares on the trading venue where the purchase is carried out or a closing price is not otherwise available, the Market Purchase Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable; and
- (b) the amount stipulated by Article 3(2) of Commission Delegated Regulation (EU) 2016/1052 relating to regulatory technical standards for the conditions applicable to buy-backs and stabilisation (being the value of such an ordinary share calculated on the basis of the higher of the price quoted for: (i) the last independent trade; and (ii) the highest current independent purchase bid for any number of such ordinary shares on the trading venue(s) where the purchase pursuant to the authority conferred by this Resolution will be carried out).

Resolution 9 is proposed as a special resolution.

Resolution 10: Authorisation of market purchase of the Company's shares (Tender Offer)

Resolution 10 is subject to and conditional on Resolution 9 being passed and proposes to authorise the Company and any of its subsidiaries to make market purchases and overseas market purchases of the Company's shares by way of tender offer open to all shareholders in the circumstances contemplated by the Listing Rules of the UK Financial Conduct Authority ("UKLRs") ("Tender Offer").

The maximum number of ordinary shares which may be acquired pursuant to the authorisations set out in Resolution 9 and 10 shall, in aggregate, be less than 15% of the Company's existing issued share capital, excluding shares held as treasury shares by the Company as at the date of passing this resolution.

Resolution 10 differs from Resolution 9 as (i) it proposes to give authority to the Company and any of its subsidiaries to make market purchases and overseas market purchases by way of Tender Offer; and (ii) accordingly, such Tender Offer would be subject to a different upper price limit. Under the terms of Resolution 10, the minimum price (excluding expenses) which may be paid for any of the Company's own shares shall be an amount not less than the nominal value of the shares and the maximum price would represent a premium of up to 15% to the average closing price per ordinary share over the twenty trading days preceding the day the purchase is made.

The Directors consider that the granting of this authority provides a further means of returning capital to shareholders at times where there may be a limited market or liquidity in the Company's shares, which may make buybacks within the pricing limit set by Resolution 9 difficult to achieve. Any future Tender Offer would be made to all qualifying shareholders regardless of the size of their shareholding, providing an equal opportunity to sell a guaranteed entitlement at a premium to pricing immediately before announcing a Tender Offer. Qualifying shareholders who do not wish to participate in any Tender Offer which may be made by the Company can maintain their full existing investment. The Directors consider the higher pricing limit sought by Resolution 10, in the limited context of a Tender Offer, is consistent with market norms and previous actions of the Company. Any future Tender Offer which may be made under this resolution, if adopted, would be announced to the market.

If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or on midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed.

The Directors have no current intention of exercising this authority and will only exercise this authority following careful consideration and at price levels which the Directors consider to be in the best interests of shareholders generally, after taking into account the Company's overall financial position. Should the Directors take the decision to exercise this authority, all the shares acquired under this authority shall be cancelled.

For the purposes of the Companies Act 2014, this resolution also incorporates the required approval to allow any one or more directors of the Company to participate in any purchase by a company of its own shares by way of Tender Offer in accordance with the terms thereof.

As at 5 p.m. on 2 April 2026, the total number of ordinary shares in issue in the Company at was 148,466,858 and there are no outstanding warrants to subscribe for ICG Units/shares. Further, the total number of options to subscribe for ICG Units/shares outstanding was 3,521,261 representing approximately 2.4 per cent of ICG's issued share capital (excluding treasury shares) at that date. If the maximum number of ICG Units/shares that may be purchased under the Tender Offer are acquired by ICG and cancelled, the outstanding options would represent approximately 2.8 per cent. of ICG's issued share capital as at 2 April 2026.

Resolution 10 is proposed as a special resolution.

Resolution 11: Authorisation for the re-issue of treasury shares

Resolution 11 is asking shareholders to give the Company the authority to re-allot treasury shares pursuant to Section 1078 of the Companies Act 2014 (as amended) and the re-allotment price range at which treasury shares may be re-allotted is as follows:

- (a) the maximum price at which a treasury share may be re-allotted off-market shall be an amount equal to 120% of the Treasury Share Appropriate Price; and
- (b) the minimum price at which a treasury share may be re-allotted off-market shall be an amount equal to 95% of the Treasury Share Appropriate Price (provided always that no treasury share shall be re-allotted at a price lower than its nominal value).

For the purpose of this resolution, “**Treasury Share Appropriate Price**” means the lower of the average of the closing prices of the Company’s ordinary shares taken from the Euronext Dublin Daily Official List and the average of the closing prices of the Company’s ordinary shares taken from the closing price published by the London Stock Exchange for securities admitted to trading on its Main Market in each case for the five business days (in Dublin and in London, respectively, as the case may be) prior to the day the re-issue is made, or if on any business day there shall be no dealing of ordinary shares on the trading venue or a closing price is not otherwise available, the Treasury Share Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable.

If adopted, this authority will expire on the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier), unless previously varied, revoked or renewed.

Resolution 11 is proposed as a special resolution.

Resolution 12: Authority to convene certain general meetings on 14 days’ notice

Resolution 12 proposes to renew the Company’s authority to convene on 14 clear days’ notice, an extraordinary general meeting of the Company solely to consider one or more ordinary resolutions and not a special resolution. The Company’s constitution permits the Company to convene a general meeting of shareholders (except the annual general meeting or a meeting to consider a special resolution) on 14 clear days’ notice. Section 1102 of the Companies Act 2014 (as amended) statutorily sets this notice period at 21 clear days’ unless shareholders on an annual basis pass a special resolution to preserve, where appropriate, that shorter notice period contained in the Company’s constitution. The Directors consider that it is in the interests of the Company to retain that flexibility. If this resolution is passed, the Directors will only use the authority where it is merited by the purpose of the meeting and the authority will be effective until the Company’s next annual general meeting. Resolution 12 is proposed as a special resolution.

Recommendation

The Board considers the Resolutions to be in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that shareholders vote in favour of the Resolutions at the AGM, as they intend to do so in respect of their own beneficial holdings being in aggregate 33,496,560 ICG Units/shares, representing approximately 22.6% of the existing issued share capital of the Company.

Yours faithfully

John B. McGuckian Chairman

CONDITIONS FOR PARTICIPATING IN THE MEETING

The right to participate in the AGM is subject to these appropriate health and/or safety measures. Such measures may include, without limitation, the restriction of the number of attendees, and health and/or compliance related checks and requirements. Every holder of ordinary shares additionally has the right to vote at the AGM in person or by proxy. Completion of a form of proxy/proxy arrangements will not affect a member's right to attend, speak, ask questions and vote at the AGM in person. The right to participate in the AGM is subject to the registration of the shares on the Record Date (as hereafter defined).
3. The Company, pursuant to the Companies Act 2014 (as amended) specifies that only those members registered in the register of members of the Company as at 6 p.m. on Sunday, 3 May 2026 (the **Record Date**) (or in the case of an adjournment of 14 days or more, 6 p.m. on the day immediately preceding the day which is 72 hours before the time appointed for the holding of the adjourned meeting) shall be entitled to attend, speak, ask questions and, in the case of holders of ordinary shares, vote at the meeting in respect of the number of ordinary shares registered in their names at the time (or if relevant, any adjournment thereof).
